National Veteran Employment Summit Recruiting Day
11:00am – 4:30pm
Double Tree by Hilton, Crystal City
300 Army Navy Dr., Arlington, VA 22202

You're invited to participate in a one of a kind National Veteran Employment Summit Recruiting Day on April 29th, 2014. This program is hosted by Virginia Values Veterans, the Northern Virginia Technology Council, the Virginia Employment Commission, Employer Support of the Guard and Reserve, H2H.jobs, and Monster and Military.com in conjunction with Monster and Military.com's two-day National Veteran Employment Summit.

Organizations here in Virginia recognize the talent Veterans bring to their workforce, and want to meet with you to talk about their organizations and job openings.

This is not a job fair.

Organizations will pitch their job openings and then conduct screening sessions with attendees in a roundtable format.

Resumes are required for registration, and we will ensure these organizations know what you're looking for in a company while they search for the prime candidates.

Attendees are expected to attend for the duration of the event.

In order to attend, you must be one of the following:

• A Veteran of the armed forces
• A serving member of the National Guard or Reserve
• A military spouse
• An active duty service member with less than 3 months left until EAS/ETS.

Participating Employers:

Dominion, UPS, Leidos, Learning Tree, Praescient Analytics, Acentia and ICF International
